

<i>Information</i>	ECOCLEAN - Ultrasonic Cleaning Chemical						
Product Name	Application	Properties	Type Of Contamination	Not Suitable With	Dilution v/v	Temp (°C)	Pack
AX DEGREASER (ECO CLEAN 1)	Automotive Automatic Gearbox Restoration, Hydraulic Power Takeoff Internals, All Aluminium, Copper And Brass Parts, Aircraft Parts, Stainless Steel Parts Prior To Electroplating	Blue Liquid Solvent Free Light Degreaser Alkaline, Non Caustic, Non Flammable, Eco Friendly.	Carbons, Coolants, Drawing Compounds, Fats, Forming Oils, Flux, Grease, Honey Oil, Oil, Silicone Oils/Grease And Water-Soluble Oils.	N/A	5-30% (Typically 10%)	54-77 (Typically 60-66)	2.5US Gal
FERROCARB (ECO CLEAN 2)	Automotive, Cast Iron & Steel Housings Steel Anilox Rollers	Slightly Viscous, Straw Coloured Liquid, Caustic, Hazardous, Non Flammable	Carbon, Paint, Rust And Lead Deposits	Sensitive metals e.g. Aluminium, Zinc	20-30%	50-60	20L
ALLOYSALT-P (ECO CLEAN 3 A)	Automotive,	Alkaline Component White Powder, Caustic, Hazardous in > 20% Concentration	Organic Soils And Paint from Ferrous or Non Ferrous Metals.	N/A	50gms/litre	40-70	25KG
ALLOYSOLV (ECO CLEAN 3 B)		Solvent Component Colourless Liquid, Hazardous, Non Flammable		N/A	10%		20L
ALLOYSALT-L (ECO CLEAN 3 C)		Alkaline Component Tan Liquid, Hazardous, Non Flammable		N/A	10%		25L
ELECTRO (ECO CLEAN 4)	Electronic Components, PCBs	100% Ozone Friendly, Biodegradable, Non Flammable, Low Toxicity.	Ideal for cleaning very stubborn flux residues and no clean fluxes to military cleanliness standards Need four stage process: Ultrasonics, Rinse (Tap Water), Rinse(IO Water), Hot Air Dry	N/A	5-25% IO Water	20-45	5L
INKOFF (ECO CLEAN 5)	Steel & Alloy Anilox Rollers & Sleeves	Yellow Liquid, Non Flammable, Non Hazardous	Water Based, Solvent Based And Oil Based Ink, Varnish	Aluminium, Tin, Lead & Iron	10%	40-60	20L
SUPERCLEAN (ECO CLEAN 6)	Cleaning of electrical & electronic components Decarbonising Of Electric Motors, Alternators And Generator. A powerful, all purpose, natural, cleaner/degreaser concentrate, Parts washer	Heavy Degreaser, Concentrate, Biodegradable, Very Low Toxicity, Non-Carcinogenic, Water Soluble	Grease & Oil Build-Up	N/A	5-15%	30-50	20L
DESCALE (ECO CLEAN 7)	SS Pump Parts and Water Cooler Components, Stainless Steel Filters	Clear Liquid,	Rust, Heat Scale, Oxides, Flux, And Welding Spatter from Ferrous Metals and Zinc Coated (Galvanised Steel) Excellent remover of scale from SS Parts	Mild Steel	2.5-25%	Ambient- 50	25L
ANTI-RUST (ECO CLEAN 8)	Rust Inhibiting Final Rinse Treatment	Fluorescent Green Liquid, Non Flammable, Non Caustic, Toxic, Hazardous in > 3% Concentration	Mildly Alkaline designed for use as a rust inhibiting final rinse	Sensitive metals e.g. Aluminium, Zinc	2-5%	Ambient- 80	25L
FX-DEGREASER (ECO CLEAN 10)	Automotive, Kitchen Equipment, Automatic Gearbox Parts, Aircraft Parts	Green Liquid Alkaline Salts with Surfactants Non-toxic, non-flammable, non-solvent, readily biodegradable. Leaves no odours and no fumes. AQIS approved Category 1 General Purpose Cleaner Type A	Dissolves heavy grease & food. Removes carbon and grease deposits from alloys, cast iron, steel, stainless steel, glass, enamel and ceramic surfaces	N/A	1-5%	Ambient- 60	25L

This information is supplied as a guide only. It is the customer's responsibility to determine the suitability or otherwise of the cleaning chemicals for the intended purpose/use. All cleaning chemicals shall be used, handled and disposed of in a safe and responsible manner as if they were hazardous. For more detailed safety information, please refer to the material safety data sheet. *Ultrasonics Eco Cleaning Solutions* will not be liable for any loss of profits or any consequential indirect or special loss damage or injury of any kind suffered by the customer.

<i>Information</i>	ECOCLEAN - Ultrasonic Cleaning Chemical						
Product Name	Application	Properties	Type Of Contamination	Not Suitable With	Dilution v/v	Temp (°C)	Pack
OXYGEN	Oxygen components	Due to OXYGEN's chemical formulation most greases and oils are held in temporary suspension Completely soluble in water. Completely safe to handle and use. Normal rinsing is not required as it leaves little or no residue. Oxygen system applications rinsing is a must.		Not applicable.	5% -105%	Ambient - 60°C.	20L
DESLUDGE	Removing grease and oil from bitumen/concrete/extreme cases Carpet Cleaning through machine Chrome & Steel Glass cleaner – spray & wipe Marine: hulls & deck/ bilges, oil and grease Roofs or pathways Walls: ingrained dirt/light dirt/fire smoke/cigarette smoke/ extreme cases, quality paint only Carpet cleaning: spots Car washing (external through pressure spray) or Water blasting & steam cleaning. Floors: Daily/stripping polish Kitchen equipment: loose items soak/wipe on, wipe off/baked and burnt pans soak Metal degreasing: heavy/light Showers & baths spray and wipe Upholstery: spot gleaning/general	Concentrated Non-flammable Rapidly biodegradable Phosphate free Compatible and effective with sea water Disinfectant (Quaternary Ammonium Chloride)	See Application	Not applicable.	See Technical Bulletin	Ambient - 60°C.	20L
